### Reflection as we begin another Year

If we leave everything in life to chance and luck we are going to be sorely disappointed. Hoping for the best and hoping things will work out for us is inbuilt in all of us, but we need to have deeper roots. It's all about making good positive choices each day. It's all about making a determined effort to choose what we can do well and to avoid tasks that are impossible. It's all about putting our trust in God who has dreams and plans for us too.
